Dear Midlakes Elementary Families,

We want to thank you for your continued support through this challenging and confusing time. Your resilience and dedication to our children, community, and school have been wonderful.

We appreciate your patience as we redesign our instructional practices. After much consideration, we have developed a Distance Learning Feedback Report for Kindergarten through 6th grade that will be in place for the end of the 2019-20 school year. The report will allow our classroom teachers to provide targeted feedback using evidence they have collected for every child.

A copy of the Distance Learning Feedback Report can be accessed by clicking this link. Please contact your child's classroom teacher with any questions or concerns.

Sincerely,

Christopher J. Moyer (Principal)

Alaina S. Benzer (Assistant Principal)
