

Thompson Health Guild Scholarship

The Thompson Health Guild has established an annual scholarship fund that awards up to five \$2,000 scholarships to deserving seniors in the service area of Thompson Health. Scholarships are given by the Guild to encourage young people to enter one of the many health care fields of study. Scholarship recipients must be registered in a human health-related field and must successfully complete their first college semester with the intent to study the second semester in a human health-related field. Eligible fields of study include:

Biomedical Engineer/Scientist
Dental Hygienist
Dietician
Health Care Administration
Laboratory Technician
Licensed Practical Nurse (LPN)
Massage Therapist
Medical Assistant
Nurse
Nurse Practitioner
Occupational Therapist
Occupational Therapy Assistant
